## **New for the 2019-20 School Year**

Additional Communication will be done using *School Messenger*. Messages will be sent via Text and Email.

## **\*Important Note\***

**REMIND** will no longer be used by our school for our Countryside Families due to changes in their company's procedures. It has been replaced by our use of School Messenger this school year. Our Countryside PTO will however still be using **REMIND** connect with families. More information from the PTO will be in your Tuesday Folders.
